CAUSE

Mr. Love was released to supervision in the Western District of Washington on June 22, 2016. He has been making efforts to complete his community service, has paid his restitution in full, and has been searching for gainful employment. He has had little success finding suitable employment in this district and has been living between various friends' homes. He has proposed to relocate his supervision to the District of Oregon. The United States Probation Office in the District of Oregon has agreed to accept supervision of Mr. Love's case, provided we add the above noted condition as they believe it will aid in their supervision of his case.

Mr. Love has been notified of this request and has signed a waiver of hearing agreeing to this modification.

Defense counsel has been contacted and has no objection to the proposed modification.
